

AUTO CITY SPEEDWAY 2018

CHAIN-GANG RACE RULES

Promoter/Owner-Joe DeWitte-248-505-7001

All racing participants at Auto City Speedway will be required to use raceceivers. They will be available at the track for purchase or rental.

1. Minimum of two vehicles required. No 4 wheel drive or 3/4 ton pickup trucks or vans. Front car must have brakes fully disabled and working engine. Rear car must have engine fully disabled with working brakes. Engine in trailing vehicle must remain in car.
2. Both vehicles must be similar in size and weight, in other words, a large car cannot pull a small car. **This will be strictly enforced. Cars will be weighed if necessary.**
3. Chain only may be used to secure vehicles. No double chains allowed. Chain must be securely chained to bumper or frame. If vehicles become unattached, they are done with their race and will be scored accordingly. Distance from vehicle to vehicle must be no less than 4 feet and no more than 6 feet.
4. Battery and gas tanks must be removed from trailing vehicle.
5. Doors must be strapped, bolted, chained or welded shut.
6. Windshield may remain intact. Side glass, rear window, headlights, taillights, moldings, grill, etc. must be removed.
7. **Antifreeze: Not allowed period!** Please have drained BEFORE you come to the track. – Any car caught during tech will have to drain your complete cooling system in an approved container & will be put to the rear of start line-up. If you are caught draining or dumping antifreeze on Speedway Property, you will not run & be disqualified for that event.
8. All fluids must be removed from trailing vehicle.
9. Shoulder and lap belt required in both vehicles. **Racing Helmet must meet minimum DOT standards;** a Snell approved helmet is required. An approved fire suit, both tops & bottoms are highly recommended. **A racing neck brace will be required. Gloves and full cover shoes will be required, Arms & legs must be fully covered.**
10. **Driver's door protection required and is mandatory. Unsafe cars will not be eligible to race. Recommended: A steel plate at least 1/4" thick that overlaps each end of the driver's door by at least 6 inches and is at least 14" inches high, and is secured with at least (4) 1/2 inch bolts. A spreader bar (large bar, I-beam, pipe just behind seat connecting one side of car to other at bumper height approximately 12" inches off the floor with at least an 8"x 8" plate attached to the bar connected to both sides of the car). Without a cage, Roll bar or spreader bar, cars are not eligible to run. Other means that meet or exceed the above options and are deemed safe by Auto City Speedway Techs are allowed.**
11. Track officials have final word on vehicle race worthiness.
12. Additional rules may be added if needed.

Purse: Announced prior to event day. There **may be cases where prize money is based on the number of cars competing in a particular event.**

1. \$300
 2. \$125
 3. \$ 75
- Rest: \$ 50

You must be pre-registered in order to compete. No registration fee. Must sign pit waiver and pay pit pass fee of **\$30**. Number of entrants is limited. First come – first served. Feature starting position is determined by random draw. Advanced registrations now being accepted.
