

Rainout Policy-Pit Bands

A new Rainout policy/ or any reason we would have to cancel an event.

We are changing our rainout policy, because, as we get into weather/ reasons for cancellations, there are cost to all of us. For us, employees, ambulance, fuel, tires, food, insurance. In the event we have to cancel before features, here is the new policy.

If races are canceled, you must retain pit bands for Any Credit. **NO CASH REFUND/CREDIT CARD SALES.**

Once you have entered the back gate to the pit & started hot laps, this is considered like a (Test & Tune). Only \$15 credit for that band will be given.

Driver/crews Only- if you have qualified but not raced in your feature, you will be given \$10 credit on band.

If features have started **No Credit** on any bands in the pit. Only what is said in above policy.

Be sure to hang on to your band!
